

Licensed Child Care in Muskoka

Is Available for All Children

Community partners in Muskoka actively work together to provide children in Muskoka with quality, affordable, licensed child care options for children from birth to 3.8 years old, as well as before and after school care for school age children. Every licensed child care provider has its own policies and procedures and many offer part-time care for children under 4 years of age. It is important to plan ahead when looking for child care – call early!

“Licensed child care has made it possible for me to go to work every day knowing that my child is safe, healthy and happy. She has grown by leaps and bounds during her time in care. We are thrilled that she has gathered skills, friends and memories to carry her into her kindergarten years.”
